About our University...

The university has consistently grown over the years, adapting to the needs of its community by expanding classrooms and creating practical learning spaces for students. These include the 2,100 m² Technology Hub, the Clinical Simulation Room, the Primary Care Center currently under construction, and the sports complex featuring numerous facilities such as a semi-Olympic swimming pool and an athletics track, as well as a multipurpose room for the Law Department.

Over the years, UNLaM has established connections with universities and organizations across different continents, with an increasing number of alumni participating in international programs.

Through these efforts, UNLaM has become one of the most prominent universities in the Greater Buenos Aires area, committed to academic excellence and positively transforming its surrounding environment.
